In 2025/2026 we had campfires, visited fire stations, had a reptile visit, celebrated Squirrels moving up to Beavers, litter picking, been bowling, hike to Dinton country pastures, bird watching, Greys farm, on a train to Reading to learn about the railway safety. Squirrels learnt how to do some basic first aid [CPR, choking and how to call 999], what to do in a fire and who to call in an emergency. They have practiced yoga to be calm and collected...50% success rate.

The Squirrels have participated in the poppy collection in Sainsburys and also the Remembrance Parade.

This term we are having a visit from the police, having a sports day, Fathers day to celebrate our father figures, hopefully a Katakunung trip at Wokingham Waterside and celebrating Squirrels 5th birthday!!
